

# ANIMA LEADERSHIP

WISDOM. POWER. CHANGE.

## Our Mission

Anima Leadership offers innovative and holistic professional training that dares individuals to explore and develop their leadership potential. Through transformative educational processes, we nurture self-aware, empathetic and visionary leaders who are effective in building powerful, inclusive organizations and healthy communities.

## What We Do

Anima Leadership's programs, consultations and coaching are unique, bold, demanding and life changing. Our processes tap into participants' innate wisdom, power and capacity to enact change. We specialize in the areas of:

- Emotional Intelligence And Effective Leadership;
- Anti-racism, Equity And Gender Issues;
- Conflict Resolution And Peace-building;
- Creating Inclusive And Dynamic Organizational Environments.

## Why You Need Us

Anima Leadership provides practical and long-lasting people-centred solutions using the best techniques available today. Anima Leadership is effective because of our attention to HOW people learn as well as to WHAT they learn. There are no gimmicks. We are a hard-working organization of enthusiastic, forward-looking, award-winning educators and consultants dedicated to providing leadership training services at competitive prices to a wide variety of groups and individuals.

We look forward  
to discussing further  
what Anima Leadership  
can offer you.
